## Kairos Initiative Application Form

This offer is for practical change agents looking to shift life to what our hearts all know is possible. It is being promoted through personal recommendation. You need a pass code to apply, and you must apply online at [www.57coaches.org](http://www.57coaches.org). Please ask the person who recommended this site to you for the pass code. Please do not share the pass code with anyone.

Your replies will initially be seen by the coach matching team, who will check that you have completed the form and have a topic to explore with a coach. Once you are matched, your replies will also be shared with your coach.

We do not require that you write in full sentences. We do want a sense of the specific change you want to see in the world and your role in bringing about the change.

We expect that a qualified candidate can adequately complete the form in 15 minutes.
